

# BNP Programs™ Demo

**Your practice has needs.** The Better Nutrition Program™ has *solutions*. In this program designed specifically for practitioners by practitioners, our founder Ashley Koff RD will give you a sneak peek into what your patients experience when they sign up for one of our programs so you can SEE the difference. We know what you need is more time in your Zone of Genius. Let us show you how we use our programs to tailor personalized nutrition and lifestyle recommendations for your patients, with their very own coach in step with them along the way, leaving you to do what you do best.

Want to work with your patients but need resources? No need to reinvent the wheel! The BNP Toolkit™ is packed with evaluations, menus and guides so you have the handouts and resources done-for-you to share with your patients. We've got some bonuses in this program for you to get a taste!

Our proven 3E process - Education, Experimentation, Evaluation - drives better patient engagement for more favorable outcomes & retention. Let us help you spend your time and resources optimally to more easily deliver exceptional patient results.
