Essentials of Medical Intuition: A Visionary Path to Wellness

By Wendie Colter

Foreword by Leonard A. Wisneski, MD, FACP

"A new frontier in healthcare, *Essentials of Medical Intuition* shows us simply and practically how to cultivate our intuition for our own personal growth and to benefit those we serve.

It is an important book for any healthcare professional interested in developing their intuitive abilities"

— **Lucia Thornton, ThD, RN, MSN, AHN-BC**

Past Chair, Academy of Integrative Health & Medicine (AIHM)
