CLINICAL IMMERSION\*

## Instruction & Assessment

The entire curriculum will be conducted in a virtual classroom environment, enabling you to work from your home, office or favorite Wi-Fi spot. The online curriculum is comprised of engaging online content and quizzes, podcasts, video presentations, and dialogues with faculty and classmates. We offer *optional* in-person learning opportunities as well.

**Fellows are required to complete workshops and clinical immersion activities.**

Engage in experiential sessions and clinical round tables. Learn from clinicians practicing integrative medicine in a variety of settings, enabling you to put your learning into practice.

## AIHM Annual Conference & Hybrid\* Graduation Ceremony
